BAR SERVICE AND NON-ALCOHOLIC BEVERAGES

Given our focus on wine, we offer only TSV wines and a select few local beers.

Non-alcoholic beverages include juice, pop, water, coffee and tea, and are charged by consumption.

Wine is charged by the bottle at restaurant pricing and beer by consumption, with the exception of the inclusive Wine and Beer Package.

Sparkling and icewine is not included in the Wine and Beer Package. Beverage service concludes at 11:00 p.m.

All music must end at 11:00 p.m. No outside alcohol is permitted on premises, whether for consumption or gifts.

All staff are certified with smart serve and reserve the right to refuse service to any guest who appears intoxicated or poses a possible risk to injure themselves or others or cause damage to TSV property.

WEDDING COORDINATION

Our main goal is to ensure the days and months leading up to your wedding run smoothly so you can relax and enjoy your day. We offer exceptional service throughout this process and are more than happy to coordinate and communicate with all of your vendors prior to the event. However, should you not have a designated wedding planner, we strongly recommend having a dedicated person to manage all of your needs and execute the itinerary for the day. We have experienced staff that act as the day-of coordinator, or we have a wonderful list of planners that we have worked with that offer day-of services as well.

SMOKING

Smoking is not permitted anywhere on the property except in the designated smoking area at the front of the building.

WEDDING DETAILS

OUTDOOR SPACES

Due to municipal noise by-laws, all music outdoors must end at 11:00 p.m. Tossing of rice, birdseed, confetti, petals etc. is not permitted. Wish lanterns, sparklers, fire crackers or any other paraphernalia that are fire hazards are also not permitted.

Events hosted on the Veranda are permitted to have live music, with TSV approval. However the use of mics, speakers or AV equipment for speaking or speeches is not permitted. If you are not planning live music, the outside speakers on the Veranda are connected to the restaurant patio speakers, therefore must be the same. We offer use of our golf cart to individuals who physically are unable to walk through the vineyard to the ceremony site and to the bride for the start of the ceremony. This service is not to be abused, as our staff also utilize the golf cart before and after the ceremony and during the wine reception to set up and tear down. It is your responsibility to let your guests know to wear farm appropriate footwear to walk out to the pond.

DÉCOR AND OUTSIDE VENDORS

TSV runs multiple public programs during daytime business hours. All outside vendors will have limited time to set up pre-event.

This time is at the discretion of the Events Manager, based on time of year and previously booked reservations. Any extra time required will be at a cost to the client based on lost revenue. Most events are given 2 hours to set up. Any décor must be picked up the night of the event by outside vendors unless otherwise arranged with the Events Manager. Taping, stapling or affixing items to any TSV property is not permitted. Tapered candles are only permitted if they are enclosed in a glass hurricane.

All outside décor must be approved by the TSV Events Manager.

WEDDING CAKE

We do not provide in-house wedding cake, cupcakes, or similar. This is the only outside food permitted. We do not charge a fee for cake cutting, plating or serving for weddings under 30 guests. For weddings over 30 guests, we charge \$5 per guest for cutting, plating and serving. We ask you to instruct us on your plans for the wedding cake and when you would like it served well before the day of the event.

PETS

Pets are not permitted in the building or outside areas where food is served. Pets are permitted on the property, at the Pond and on the lawn. The exception to this is certified service animals with official documentation as proof. All pets must be picked up after and waste disposed of in proper outside receptacles.

WEATHER

Our outdoor venues are not 100% weather proof, and events are held rain or shine. Depending on the size of the wedding, we will plan for an indoor space as back-up. However if it is not possible, it is the client's responsibility to plan for inclement weather or extreme heat. Tent options are client responsibility. Please note, space is limited due to property trees. All tent information must be passed on to TSV Event Manager for coordination purposes.
